WHOLE NO. 10.

The Week In the Queen City.

The 4th weekly meeting of the P. C. of Toronto, was called to order at 8.30 p. m. Oct. 4th in its permanent club rooms, McKinnon Bldg., president Myers in the chair. Eight members present. Two new members were proposed and admitted. The committee appointed to draw up constitution and by-laws brought in their report. After the consideration of the same by the members present, a motion was carried to lay it over for two weeks before adoption. The Librarian was instructed to solicit donations of stamp papers from publishers.

The regular monthly dues were collected from the members present, and the Secy. was instructed to send out notices of each meeting to non-members.

Mr. Walter McMahon gave an instructive and interesting talk on the old "Toronto Philatelic Club." Meeting adjourned 10.10 p. m.

Damn rumor hath it that some well known collectors in Toronto propose to organize a company and issue a monthly stamp journal, probably under the name of the *Toronto Philatelist*. I fully believe a live up-to-date paper from the philatelic metropolis of Canada could be made a paying venture. I will be able to state definitely in my next notes, what truth there is in the rumor.
