THE SUSTAINED SUPREMACY OF FAIRCHILD'S PEPSIN, In Activity, Permanence and General Excellence

Has won for this product a wide use and recognition in all the principal markets of the world.

We guarantee it to be unchangeable,

To Maintain its Activity and Quality under all Ordinary Commercial Conditions ;

it is therefore, by far the most available for the dispensing counter, as well as in the manufacture of every form of pepsin preparation.

Under exactly parallel conditions, with any proper percentage of acidity and with any proportion of such acidulated water to the albumen, Fairchild's pepsin

IS POSITIVELY SUPERIOR TO ANY PEPSIN KNOWN.

It will, under absolutely comparative conditions, grain for grain, digest more albumen than any other pepsin made.

We will be pleased to send samples to any physician who may wish to ascertain for himself the relative activity of Fairchild's pepsin, or to submit it to any practical trial.

Prices and complete information upon application.
