HOSPITAL AND TRAINING SCHOOL NOTES.

Lectures in classes were resumed the second week in January by Drs. Emory and Evans, respectively.

Miss Read, head-nurse graduate, was offered, and has accepted, a position in a private Hospital. Miss Hector is filling the vacancy in Grace Hospital.

Miss Darby, a trained nurse from the "Michael Reese" Hospital, Chicago, visited and thoroughly inspected Grace Hospital, in company with Mrs. R. B. Hamilton. She expressed herself as being much interested and pleased with the building and all its appointments.

A most urgent want in the Hospital during the present season is warm dressing gowns and felt slippers for the use of men in the public wards. Will not some kind friend respond to this need?
