

# BYRRH

## Still the Best Recuperative Tonic Wine

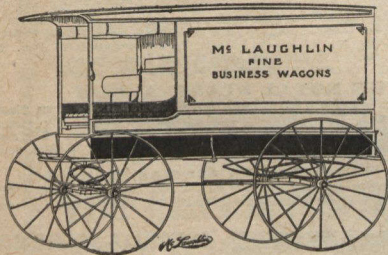

No other wine that has been or is made can approach Byrrh Wine in its remarkable tonic and building up qualities. The reason is that Byrrh is made from some of NATURE'S OWN best restoratives, combined with an ESPECIALLY FINE Old Port. "Byrrh" tones up the nervous system, strengthens the digestive functions, gives you a natural appetite and the power to digest what you eat. Have you tried it?
