LUMSDEN & WILSON,
Importers, Seaforth.

While thanking teachers and pupils throughout the Dominion for the liberal patronage bestowed on us in the past, we have great pleasure in stating that we are now in even a better position than ever for supplying the very best goods in this line at the lowest prices. We have regular customers from one end of the Dominion to the other, and our trade has grown so extensively that we are enabled to buy in larger quantities and oftener, and buying direct from the manufacturers in Scotland we have not only the advantage of buying cheaper but our customers can always depend upon getting the latest and best ball in the English market. You will notice in this list a new ball, "The Chrome," just introduced in England, and forwarded to us. It is pronounced by players as the most perfect ball ever shown; the cover is cut similar to "The Perfection," without round disks on the ends.
