It has hitherto been supposed that the highest mountain in the world was Mount Everest, one of the Himalayan range, 20,000 feet high, but this honour is now claimed for Mount Hercules, in New Guinea, which sears to the tremendous altitude of 32,786 feet.

A man recently asked in a drug store for a box of rough diamonds, but the druggist knew no such remedy. After much parley the druggist found that his onstomer wanted *Parson's Purgative Pills*. He says, 'That's the only fit name for em.'

It has been calculated that to make one pound of honey the bees must visit from 90,000 to 225,000 flowers.

ADVICE TO MOTHERS.

Mrs. WINSLOW'S Soothing Syrup should always be used for children teething. It soothes the child, softens the gums, allays all pain, cures wind colic, and is the best remedy for diarrhoea. 25c a bottle.

The first thing a kindness deserves is acceptance, the next is transmission.

Gents.—The top of my head was bald for several years. I used Minard's Liniment and now have as good a growth of hair as I ever had. It is a positive hair restorer, makes the hair soft and glossy, and will not stain the finest fabric.

GOOD CORN SHELLER FOR 25 CENTS.

A marvel of cheapness, of efficacy and of promptitude, is contained in a bottle of that famous remedy, Putnam's Painless Corn Extractor. It goes right to the root of the trouble, there acts quickly but so painlessly that nothing is known of its operation until the corn is shelled. Beware of substitutes offered for Putnam's Painless Corn Extractor—safe, sure and painless. Sold at druggists.
