"It Cured Mother."

GENTLEMEN—My mother was suffering from dyspepsia and had no appetite. Everything failed to cure her until one day while visiting a friend's house, I saw a bottle of B.B.B. on the table; on inquiring what they used it for, I soon found out what it cured, and when I went home told mother that she should try it; she said she had no faith in anything and objected to try it. Notwithstanding her objection I went in the evening and brought home a bottle but it was in the house for a week before we could induce her to take it. At last as she was getting worse all the time she consented to try it, and on taking half the bottle found it was curing her. Another bottle cured her, and we believe, saved her life. We are never without B. B. B. now. It is such a good remedy for headache as well.
