GOVERNMENT SECURITY FURNISHED BY THE
ÆTNA LIFE INSURANCE CO.

This Company having transacted business in Canada so acceptably for twenty-seven years past as to have, to-day, the largest Canada income of any Life Company save one (and a larger proportional income than even that one).

NOW ANNOUNCES

that it will deposit, in the hands of the Government of Canada, at Ottawa, the whole RESERVE, or RE-INSURANCE FUND, from year to year, upon each Policy issued in Canada after the 31st March, 1878. Every such Policy will then be as secure as if issued by the Government of Canada itself, so far as the safety of the funds is concerned.

The importance of having even a strong Company, like the ÆTNA LIFE, backed by Government Deposits, will be appreciated when attention is directed to the millions of money lost, even in our own Canada, through the mismanagement of Directors and others during a very few years past.
