

## AUTHORITATIVE OPINION

(The following is an extract from a letter written by Mr. William Wheatcroft, long-time editor for Sir Isaac Pitman & Sons, England; author of "Notes of Lessons on Pitman's Shorthand," "A Shorthand Catechism," and "Preparation for a Shorthand Teachers' Examination.")

"I have seen Pitman's Shorthand from the very best vantage ground, and I am ready to acknowledge that I consider phonography a wonderful system. But our forefathers thought the gas balloon very wonderful. Are we, then, on that account to ignore the marvels of the flying machine as known today? In the spirit of looking out for the best system of shorthand, I have turned my attention to Gregg, and although my acquaintance has been so short, I have come to the conclusion that Gregg is as superior to Pitman as the modern aeroplane is to the gas balloon."
