

UNIVERSITY OF NEW BRUNSWICK

The next Academic year begins September 18, 1919, when FOURTEEN County Scholarships will be vacant. These Scholarships (value \$60 each) will be awarded on the results of the Matriculation Examination to be held July 1st, at all Grammar School centres. An Asa Dow Scholarship (value \$90) will be offered in competition in September. This Scholarship is open only to male teachers holding a First Class License. The St. Andrew's Scholarship and the Highland Society Scholarship will also be available for next year.

Departments of Arts and Applied Science

The Science Courses include Civil and Electrical Engineering and Forestry
