

And the House having reverted to the deferred question on the motion of Mr. MacDonald (Egmont), seconded by Mr. Hales,—That Bill C-202, an Act to provide incentives for the development of productive employment opportunities in regions of Canada determined to require special measures to facilitate economic expansion and social adjustment, be amended, by deleting paragraph (b) of clause 4 and substituting therefor:

- (b) In the case of a proposal to establish a new facility or to expand an existing facility to enable the manufacturing or processing of a product not previously manufactured or processed in the operation or to expand an existing tourist or service operation, a secondary development incentive by way of additional financial assistance to the applicant for the establishment of the new facility or the expansion of the existing facility for that purpose.

The said motion was negated on division.

And the House having reverted to the deferred question on the motion of Mr. Burton, seconded by Mr. Broadbent,—That Bill C-202, An Act to provide incentives for the Development of productive employment opportunities in regions of Canada determined to require special measures to facilitate economic expansion and social adjustment, be amended, by including in clause 7, subclause 1, the following new paragraph:

- “(c) the establishment of a Crown corporation in consultation with provincial authorities would make a more significant contribution to economic expansion and social adjustment within the designated region”.

The said motion was negated on the following division:
