David Williamson was employed on a contract basis in the summer of 1969 to assist in assessing the skill ratings of occupations classified in the Occupational and Area Demand Report. His material formed part of the work of the department and as such is for their exclusive use. I would therefore ask the hon. member to withdraw his motion.

WHEAT CONTRACT BETWEEN CANADA AND  
THE USSR, JUNE 20, 1966

Motion No. 50—**Mr. Gleave:**

That an humble Address be presented to His Excellency praying that he will cause to be laid before this House a copy of the wheat contract between the Government of Canada and the Government of the USSR signed on June 20, 1966, on the sale of 336 million bushels of Canadian wheat to the USSR.

**Mr. J. A. Jerome (Parliamentary Secretary to President of the Privy Council):** Mr. Speaker, it is not the practice of the government or the Canadian Wheat Board to make public wheat sales contracts as such information might be prejudicial to the board's marketing operations. In view of this the minister responsible for the Canadian Wheat Board would ask the hon. member if he would not reconsider and withdraw his motion.

**Mr. Gleave:** Question.

**Mr. MacEachen:** Transfer for debate.

**Mr. Speaker:** Transferred for debate.

[Translation]

**Mr. Chas. L. Caccia (Parliamentary Secretary to Minister of Manpower and Immigration):** Mr. Speaker, the documents called for in this motion are internal working papers used by departmental officials to formulate the student summer employment program for 1969. As such they are considered confidential.

STUDY OF INDUSTRY, TRADE AND COMMERCE  
TRADE PROMOTION POLICIES

Motion No. 56—**Mr. Broadbent:**

That an Order of the House do issue for a copy of the study on the Department of Industry Trade and Commerce trade promotion policies showing a 12:1 cost-sales ratio as stated by Mr. P. Schutte, Chief of the Trade Fairs Abroad Division of the Department.

**Mr. Bruce Howard (Parliamentary Secretary to Minister of Industry, Trade and Commerce):** Mr. Speaker, the particular promotion program referred to has been completed since the date of the member's last inquiry and the Minister of Industry, Trade and Commerce feels he can now table a detailed statistical summary on the ratio requested without prejudicing commercial interests in the market. The summary will still not, of course, reveal names of individual company participants. If this is acceptable to the member, I shall be pleased to table the document.

**Mr. Broadbent:** That is a very unusual and acceptable statement, Mr. Speaker.

**Mr. Speaker:** Subject to the reservations and conditions expressed by the Parliamentary Secretary, is it the pleasure of the House that notice of motion No. 56 be deemed to have been adopted?

**Some hon. Members:** Agreed.
