Mr. Deputy Speaker: I declare the motion carried.

Mr. Gray (Windsor West): Mr. Speaker, I understand that, after consultations, there would be some disposition by the House to abbreviate our sitting day by agreeing that the results of the division on Motion No. 1, that is on Agriculture Vote 20, be applied to all of the remaining motions on the opposed items in the Main Estimates, on the remaining Main Estimates, on the Supplementary Estimates and on second and third reading of the Appropriation Bill, and that the results of the division be printed in the Votes and Proceedings and Debates as if they had been held separately.

Mr. Hnatyshyn: Mr. Speaker, I have to think about that.

Some Hon. Members: Oh, oh!
