Montreal.

Dear Sir,

I beg to acknowledge with thanks your letter of the 18th ult. in which you advise me that you are so kindly responding to the letter sent to you by Lord French with regard to opening a Branch of the Ypres League in Canada. I sincerely hope to hear from you again in due course as to what transpired as the result of your placing the proposition before the gathering of Canadians at the dinner you refer to.

Yours very faithfully,

H. E. Murat Major.
Secretary.
