Dear Sir

I shall love to come
to Mr Gih. I love boys. At
Princeton I stayed two nights
in a boys club & had an
orgie of talk with them. So
any chance you give me
of seeing them at Mr Gih will
give me pleasure.

I have put down 5.15
on the 27th & I shall be
proud to have tea with Miss
Sturball at 4.30.
