

PREFACE.

IN issuing the PRESBYTERIAN YEAR BOOK for 1891 the opportunity presents itself for grateful recognition of the favourable reception accorded its predecessor. It may also be stated that care has been taken to eliminate what was defective, and to make this handy little manual more than ever a useful and accurate work of reference to all who are interested in the welfare and advancement of the Presbyterian Church in Canada. We are under obligation to the friends, ministerial and lay, whose contributions enrich the present issue.
