

*and Independent Electors of the  
City of Quebec.*

GENTLEMEN,

The truly generous support I received during the late  
election was almost unanimously chosen one of your Re-  
presentative Provincial Parliament, calls forth my most grateful  
thanks for the distinguished honor you have conferred on  
me and that it will be my constant endeavour to evince that  
I am worthy of the confidence you have placed in me, whereby  
to merit the continuation of your countenance and friendship.  
I am, Gentlemen, your much obliged,  
and most humble servant.
