JOHN GARDHOUSE GETS

County Council Gets Down to Business-No Clerk Appointed Yet-Suburban News.

YORK COUNTY COUNCIL CHAM-BER, Jan. 23.—(Special.)—By a vote of 18 to 12, John Gardhouse, Reeve of Dtobicoke Township, was to-day elect-Btoblooke Township, was to day elected to the highest office in the gift of his colleagues, in the wardenship of York County, and that on the first ballot over his opponent, Reeve R. P. Coulson of Stoufiville.

Coulson of Stouffville.

Not in recent years has so much interest been aroused in the selection of Warden, and up to the last minute no forecast of the result could be hazarded, not even by the dean of the council, W. H. Pugsley.

Not in a long time have so many exwardens and councilors attended an opening session as to-day, among those present being ex-Warden Henry, exwarden W. H. Hall, ex-Warden Baird, ex-Warden John Boag, ex-Warden W. H. Paterson, George High, ex-councilor Anderson, and a number of others.

When acting clerk Donald Laurie called the roll of members every man with the single exception of Deputy Reeve George Syme of York Township (who is in Arkansas for the benefit of his health) respended. In all 30 votes were cast and of these Gardhouse rewere cast and of these Gardhouse re-

were cast and of these Gardhouse received 18.

The nominations with their nominators were: Alex McMurchy, Reeve of King Township, by Reeve John Knowles of Aurora.

Reeve Harris of Woodbridge, by Reeve Willoughby of North Gwillimbury.

John Gardhouse Reeve of Etobicoke, by Reeve W. H. Pugsley of Richmond Hill.

Reeve R. P. Coulson of Stouffville, by Reeve Arthur Pugsley of Sutton.

Reeve R. P. Coulson of Stouffville, by Reeve Arthur Pugsley of Sutton.

After the mominators and later the mominees themselves had briefly addressed council, the vote was taken with the result stated. Mr. Gardhouse was escorted to the chair of state by Messrs. Pugsley and Skelton and received the congratulations of every man present including the vanquished candidates.

The incoming warden is a native of Etobicoke and has lived there all his life, and no name in York County is more widely or honorably identified with the agricultural life of the county than that of Gardhouse. His connection with the live stock interests is national rather than local or even provincial, and he has occupied every position of trust and honor in these or gan'zations.

He is president of Stutton. "It is hard to say what influences are twork to delay this project." said Mr. Eanton. "Somebody-is delaying it and I know that the interests of the town are being seriously prejudiced by the delay. After the overwhelming vote in its far vor and the apparent willingness and anxiety of the town council to carry out the will of the people it is dishonorable that matters should continue as they are. No effort should be spared to find out where the blame lies."

Don't forget the entertainment given by the Eginton Methodist Church choir under the leadership of W. J. Lawrence on Friday night.

It is not yet definitely known whether there will be a public meeting under the auspices of the Ratepayers' Association on Saturday night or not.

Calgary is fast becoming a great city, and the people of Catario have heard a great deal about it. Very little has been said regarding Rassano, Alberta, altho it is only 33 miles east of Calgary. The Tandian Pacific Railway, it would appear, carry on their work without the blowing of trimpets, for at Bassano, that company, for some time, has been building a dam in connection with their irrigated land scheme, and it has been said that this dam is the largest of disk without the conductor did his utmost to promptly procure them, but the night operator in charge, seemed quite indifferent to the vexations delay, and his actions, I think, should have been reported.
