DROPSY.

The Sarsaparillian and the Pills, in large doses, should be taken by dropsical persons. They will not only reduce the swelling, but remove the cause of the swelling, which is the disease of the Liver, Kidney or Heart, as the case may be. In this disease the Resolvent shows its great power over the absorbent system. Dropsical swelling frequently results from cases of Fevers, Measles, Consumption and Scrofula.

Complete Cure of Dropsy in the Leg.

DR. RADWAY—*Dear Sir*: I wish to add my testimony to the efficacious power of your medicines in curing me of Dropsy. I followed your advice in your almanac for the year 1882, and I am happy to tell you that two bottles of the Sarsaparillian Resolvent, with three or four boxes of your Pills, made a complete cure in six weeks. When I commenced to use your medicines my leg was twenty-two inches round; by the virtue of your medicines it is now reduced to its natural size. It was also nearly as hard as a stone, which prevented me
