

SABBATH SCHOOL REPORT.

Another year has passed, and we again appear before you with our Annual Report.

The total number of names registered on the roll is 207. We are happy to say the total attendance exceeds that of last year, being 4922, or an average of a little over 100 for each Sabbath. From these, during the year, there have been removed by death .... 2  
 Promoted to Bible Class ... .. 6  
 Gone to other Sabbath Schools .... .. 6  
 Removed from the city .... .. 8  
 Living in the country, and unable to attend since the change to the afternoon .... .. 7  
 Total attendance of Teachers .... .. 856  
 or an average of a little over 17 per Sabbath.

We have now twenty-two classes—an increase of two over last year.

The largest attendance of any class is Mrs. Torney's.  
 The 2nd do dc Mr. Waddle's.  
 The 3rd do do Miss Robertson's  
 The 4th do do Miss Matthews.

It also affords us pleasure to report an improvement in the attendance of teachers over last year.

Mr. Potts has been present every Sabbath.

Miss Jamieson absent one Sabbath from illness.

Mr. Masson missed one Sabbath during absence from the city.

The most pleasing part of our Report is the regular attendance of Miss Catherine Masson, Miss H. Kerr, Masters Wm. Matthews, and Charles Masson every Sabbath during the year; and four others, Miss C. Matthews, Miss Jessie Cunningham, Masters Wm. Hodson and Wm. Shearer were absent only one Sabbath during the year.

We have now 328 volumes in the library, all new books, purchased during the year.

Not being able to find a hymn book containing all the hymns we use, we intend if the cost is not too great to make our own selections from various books and get them printed for ourselves.

Mr. Potts has resumed his class for the improvement of singing
