### N. TORONTO AND YORK COUNCILS TOGETHER

Talk Parallel Roads and Agree on Basis—County and Sub-urban News.

NORTH TORONTO, June 22.—(Special.)—At the conference tonight between the councils of the town and York Township to discuss informally the "parallel roads" question good progress was made. The meeting was called primarily to arrive at some equitable basis between the two municipalities as to the relative share of the cost to be borne by each, and this was happily adjusted, after a lot of discussion pro and con.

From the very outset of the negotiations there has been perfect unanimity as to the absolute need of the highway, and the only question was as to the share that each of the municipalities would be expected to pay. The arrangement mutually arrived at for the cost of the expropriation and other proceedings will ensure the vigorous prosecution of the work.

It was pointed out to-night by Reeve Henry that the opening up of this new route would be of immense benefit to the town and incidentally the farming community, and this view was generally shared.

A number of citizens were present, including A. W. Armstrong, H. H. Ball, W. G. Ellis, D. D. Reid and others. Councillor Parke was prevented from being present through indisposition.

Three specially conducted cars passed thru the town this afternoon with a large number of the delegates of the International Council of Women, en route to Roach's Point, where they were the guests of Lady Edgar.

The return trip was made in good time, the party arriving in the city shortly after 10 o'clock, loud in praise of the courtesy accorded by the Metropolitan Railway. Assistant Manager C. L. Wilson personally conducted the party.

#### WEST TORONTO.

WEST TORONTO, June 22.—Superintendent Osborne of the C. P. R. discredits the reports that the merchants of the north side of the ward intend to patronize the G. T. R. with their freight traffic if the C. P. R. persists in keeping the old paths across the railway tracks closed to the public. "We do not wish to inconvenience anyone," said Superintendent Osborne to The World, "we are trying to protect the public in response to the public demand for protection. Several people have been hurt lately while crossing the tracks. An Englishman named Hammond is still in the Western Hospital. He was injured on April 14, while trespassing on C. P. R. property."

Alfred Harnden died this morning at his home, 38 Silver-avenue. He was 72 years old, and leaves a widow and family.

Rev. Dr. Pidgeon leaves next Monday evening for Vancouver, B.C.

The corner-stone of the new Masonic building on West Avenue-street will be laid on Saturday, July 3.

The Runnymede Travel Club will hold their first annual excursion to Glenora on Saturday.

Ald. Anderson is of the opinion that Runnymede should be forced into a police village and not into an incorporated village.

#### MARKHAM VILLAGE.

Historic Old Building at South End is Being Torn Down.

MARKHAM VILLAGE, June 22.—(Special.)—The Wellington Hotel, one of the old landmarks in the village and county, is being demolished. The hotel was erected in 1816 by the late Capt. William Armstrong, and has been occupied in turn by Wm. Ingles (who ran a stage to Mudby York), Wm. Petherbridge, Alfred Macdonald, John Jernan, John Torrance, John Higgins, Henry Jernan, and James Torrance. During the process of demolition a photo of Capt. Armstrong was found between the sheathing in a good state of preservation. A fine brick residence will be erected on the site.

The annual meeting of the E.Y.W.I. will be held in the town hall on June 23.

#### WESTON.

Business Men of the Town Form Strong Organization.

WESTON, June 22.—(Special.)—At a largely attended meeting of the business men of the town held last night the matter of the election of the officers of the newly organized board of trade was proceeded with. The gentlemen were chosen: Pres., Major Wadsworth; 1st vice-pres., Dr. Irwin; 2nd vice-pres., Mr. Coon; secretary, Mr. Masters; treasurer, Mr. Shiel; executive committee, Mr. Wismer, Mr. Galbraith, John Goulding, John Barker and George W. Verral.

Auditors: N. J. McEwen and M. J. Gardhouse.

The officers, together with the executive committee, will meet shortly and prepare the bylaws and other matters incidental to the new association. The Weston Board of Trade starts out with splendid prospects looking to the future interests of the town.

#### YORK TOWNSHIP COUNCIL.

Reeve Henry presided at the regular meeting of the York Township council with Messrs. Watson, Barker, Nelson and Jackson all present.

Prior to the meeting of council the board of health, composed of the Reeve, W. A. Clarke, Mr. Watson, Henry Duncan and the medical health officer met for a short time, but the general health of the township is so satisfactory that there was little for the members to do.

Representing a number of Runnymede ratepayers Mr. Clouston, Mr. Durrant and three or four others appeared to protest formally against any action on the part of the council looking to the closing of Jane-street.

Mr. Clouston spoke briefly, as did Mr. Durrant, the latter representing the board of health. The Runnymede ratepayers, who are vitally interested in the road, Mr. F. Maclean, M.P., appeared with the deputation urging the Jane-street was a thorough crossroad, and its preservation as such was of great importance. Mr. Maclean also took the ground that the C.P.R. in view of the fact that the projected improvements were wholly in their interest might well assume the cost of the work. A good wide roadway, any event was essential to the future of the district, which, in Mr. Maclean's opinion, would not do distant day be a part of the city.

Reeve Henry traced the negotiation between the C.P.R. and the township up to the present, and pointed out that in the event of the installation of a vehicular subway some portion of the cost of construction and maintenance might be assessed against the township, by the railway board, which in the end would probably be the arbiters in the matter.

"The township," said the Reeve, "will do nothing rash and ample notice will be given of any movement. Our rights will be carefully safeguarded in the matter."

Mr. Clouston, Mr. Maclean and the deputation expressed satisfaction with the statement of Reeve Henry.

T. N. Phelan, representing Mr. McMurray, asked council to consider favorably the opening up of the old Dave's road from the Massey farm northerly thru Mr. McMurray's property. Scarborough council are now said to view the matter favorably.

Mr. Gordon of McCarthy, Osler & Moss, opposed the assessment for the Spadina-avenue sewer against the Toronto and Niagara Power Co. on the Davenport power station. Assessment stands.

A deputation from Wychwood consisting of Wm. Dewar, John Hall, W. H. Stephenson, J. E. H. and John Stibbald asked council to assist in the establishment of a volunteer fire brigade, allowing the use of the fire engine and the sum of \$6000, the estimated cost of installing the plant. It is proposed to secure water from the city, and the cost of the expense will be borne by the district. Insurance rates are said to be almost prohibitive in the district, one of the deputation stating on a \$200 risk the premium was \$5 for three years.

The U. S. National Geological Society are sending an expedition to study the big glaciers of Alaska.

Midsummer Suits for Men  
WE are strong on two-piece Suits this summer. But we don't believe in an expensive "two-piece." A suit which is only going to be worn during the two months of hottest weather doesn't need to be as expensively made as a suit for a whole fall and winter season. The materials must be good, however, or we don't want to sell them. And the style must reflect credit upon this store.

In this connection we mention three suits at \$8, \$10 and \$12 respectively.

Two-piece Suits, made from Henson's tweeds, an all-wool summer weight fabric, in light and medium grey and fawn shades, coats 1-1/2 line pants, finished in newest style, \$12.00.

So we give this discount of 25 per cent, to keep goods moving out as fast as they are coming in.

The only question for you is: What do you need for summer holidays—a suit case, a steamer trunk, a tourist trunk, a club bag, or a carry-all.
