

NORTHROP & LYMAN'S Vegetable Discovery

NO MEDICINE EQUALS IT.

**Its Properties are such as to
Rapidly Insure Sound Health
and Long Life.**

A PURELY vegetable compound, that cures every kind of unhealthy Humor, and every disease that depends on Impurity or Impoverishment of the Blood.

For the cure of diseases known by the names of Erysipelas, Salt Rheum, Eczema, Scald Head, Scaly Eruption of the Skin, Ulcers, and Fever Sores of all kinds; Boils, Humor in the Mouth and Stomach or Eyes, Sore Ears, and Eruption on the Head; Pimples or Blotches on the Face; and every Form of Disease of the Skin, and Scrofula, it stands pre-eminently at the head of all other remedies.

In the cure of Rheumatism, Dyspepsia, Liver Complaint, and Kidney Disease, its effects are surprising to all. For regulating the Bowels, and curing Biliousness, Headache, Sick Headache, Neuralgia, Female Weakness, Nervousness, Pains in the Side, Loins and Back, and General Weakness and Debility, its curative powers are beyond money and beyond price. It is the Great Blood Purifier. The Blood is the Life of the Flesh. Purify the Blood, and it is hard for disease of any kind to remain long in the body.

A Benefit is always derived from the first bottle. Two to four bottles usually effect a cure. In more obstinate cases, it takes from three to five or six bottles; and in very aggravated cases, particularly of long standing, even more is sometimes needed; but it never fails in such diseases, where the affected part is not beyond the limits of repair. When the above quantity, in proportion to the nature of the case, is taken, a perfect cure is warranted.

DISEASES OF THE KIDNEYS AND BLADDER.

For the cure of diseases of the Kidneys and Bladder, NORTHROP & LYMAN'S VEGETABLE DISCOVERY is a remarkable remedy. It purifies and enriches the blood; regulates the bowels; acts directly upon the secretions, and the affected organs themselves, cleansing, strengthening, and removing all obstructions and impurities. In these diseases a few bottles of the DISCOVERY are worth their weight in gold.

MR. JOAB SCALES, of Toronto, writes: "A short time ago I was suffering from Kidney Complaint and Dyspepsia, Sour Stomach and Lame Back;

in fact I was completely prostrated and suffering intense pain. While in this state a friend recommended me to try a bottle of NORTHROP & LYMAN'S VEGETABLE DISCOVERY. I used one bottle, and the permanent manner in which it has cured and made a new man of me is such that I cannot withhold from the proprietors this expression of my gratitude."

Disease of the Liver is far more common than is generally supposed; and, indeed, it is possible for serious disease of that organ to exist without any well defined symptoms whatever. Comparatively few are constantly free from all irregularities of the Liver, and more particularly Biliousness.

The remarkable properties of NORTHROP & LYMAN'S VEGETABLE DISCOVERY in restoring the Liver from the affections to which it is subject, such as Biliousness, Jaundice, Congestion, Inflammation, etc., are surprising to all who witness their effects.

MRS. H. HALL, Navarino, N. Y., writes: "For years I have been troubled with Liver Complaint. The doctors said my Liver was hardened and enlarged. I was troubled with Dizziness, pain in my right shoulder, constipation, and gradually losing flesh all the time. All food soured on my stomach, even with the closest attention to diet. I was under the care of three physicians, but did not get any relief. A friend sent me a bottle of NORTHROP & LYMAN'S VEGETABLE DISCOVERY, and it affords me much pleasure to inform you that the benefit I have received from it is far beyond my expectation. I feel better now than I have for years."

For 30 Years.—MRS. L. SQUIRE, Ontario Steam Dye Works, Toronto, says: For about 30 years I have doctored for Liver Complaint and Dyspepsia without getting any cure. I then tried NORTHROP & LYMAN'S VEGETABLE DISCOVERY, and the benefits I have received from this medicine are such that I cannot withhold this expression of my gratitude. It acts immediately upon the Liver, and its good effects are noticed at once.

As a Dyspepsia remedy I don't think it can be equalled."

WEAKNESS OF HEART AND STOMACH.

MRS. S. E. COOK, Oxford Station, says that both she and her mother have used the VEGETABLE DISCOVERY for weakness of the stomach, and that it completely restored them, which no other medicine would do. Her father has also used it with good results for weakness of the heart. She says she never used any medicine that did her so much good in so short a time, and in such small doses, and she pronounces it as certainly the best medicine for purifying the blood.

Bad Cases.—MR. C. E. WILLIAMS, Druggist, Wingham, says: "Your VEGETABLE DISCOVERY is selling well, and I know of bad cases of Dyspepsia that it has completely cured."
