
Juvenile Mission Band Report

Our Band met weekly during three months to work for the annual sale. Out of a membership of 25 the average attendance was 10.

The sale of the Band was held in December, and the amount received was \$54.18. This is the most successful year we have had. We had \$3 contributed, thus making a total of \$57.18.

We made a quilt valued at \$2.50, which we sent to the North-West.

Out of this, \$50 was given to the W. F. M. S., and the remainder reserved for commencing work with next year.

EFFIE B. MCFARLANE,
Secretary.

Choir Report

In presenting my report on the work of the Choir during the past year, I may state that the attendance at Choir practice and also the services of the Church, has been good, considering that we have not a large choir. Their work during the year was an improvement on the previous year, and we are looking forward to still better results during the coming one.

The concert held in the Church on 8th May last was a success financially as well as musically, and the Choir takes special pleasure in thanking the Ladies' Aid Society for the excellent manner in which they entertained those taking part on that occasion.

In closing my report I again thank our organist and all the members of the Choir for work and the interest shown during the year that has passed.

Respectfully submitted.

EDWIN SKEDDEN,
Choir Master.
