The "W" has not lessened the demand for Diamonds—the reason being, no doubt, that of all commodities "The Diamond" is affected less by business panics or depressions than any other.

It is stable. It holds its value, while other classes of merchandise suffer.

It is thus a safe investment at all times. Our prices have not advanced.

"Pape's Diapiesin" Ends All Stomach Distress in Five Minutes

Wonder what upset your stomach—what portion of the food did the damage—do you? Well, don't bother. If your stomach is in a revolt, if you are gassy and upset, and what you just ate has fermented into stubborn lumps; head dizziness and aches; belch gases and acids and eructate undigested food; breath foul, tongue coated—just take a little Pape's Diapiesin and in five minutes you wonder what became of the indigestion and distress.

Millions of men and women today know that it is needless to have a bad stomach. A little Diapiesin occasionally keeps this delicate organ regulated and they eat their favorite foods without fear.

"I have been restored to health by taking 'Fruit-a-tives.' For two years, I was a miserable sufferer from Rheumatism and Stomach Trouble. ALL MOTHERS NEED CONSTANT STRENGTH

Their Strength is Taxed and They are Victims of Weakness and Suffering

When there is a growing family to care for and the mother falls ill it is a serious matter. Many mothers who are on the go from morning to night, whose work, apparently, is never done, try to ignore their suffering and keep up an appearance of cheerfulness before their family. Only themselves know how they are distressed by headaches and heartaches, dragging down pains and nervous weakness; how their nights are often sleepless, and they rise to a new day's work tired, depressed and quite unfreshed. Such women should know that their sufferings are usually due to lack of good nourishing blood. They should know that the one thing they need above all others to give them new health and strength is rich, red blood, and that among all medicines there is none can equal Dr. Williams' Pink Pills for their blood-making, health-restoring qualities. Every suffering woman, every woman with a home and family to care for should give these pills a fair trial, for they will keep her in health and strength and make her work easy. Mrs. G. Strasser, Acton West, Ont., says: "I am the mother of three children and after each birth I became terribly run down; I had weak, thin blood, always felt tired, and unable to do my household work. After the birth of my third child I seemed to be worse, and was very badly run down. I was advised to take Dr. Williams' Pink Pills. I found the greatest benefit from the pills and soon gained my old-time strength. Indeed, after taking them I felt as well as in my girlhood, and could take pleasure in my work. I also used Baby's Own Tablets for my little ones and have found them a splendid medicine for childhood ailments."

You can get these pills through any medicine dealer or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

The death of James Sharpe occurred on Saturday night in Campbellton. He was in his seventy-seventh year and leaves a widow and two sons, Harvie of River Du Loup, and J. R. of Campbellton.

GOVERNMENT WILL SEE VALLEY RAILWAY CLAIMS ARE PAID

It is the intention of the provincial government, according to an announcement made last evening, to see that all persons who have just claims against the Valley Railway whether as contractors, sub-contractors, workmen, or for supplying material, will be paid. This followed the judgment given in the case of the Hibbard Construction Company, Limited, vs. the St. John & Quebec Railway Company, in which the principle was laid down that the money withheld by the government, under the first legislation at least would be available only for the claims of those whose contract or arrangement was made direct with the railway company.
