

The Rexall Stores
FREE STEREO DEMONSTRATION
 On Monday, Tuesday and Wednesday of this week we will have a young lady at our King street store demonstrating Stereo Bouillon. We invite you to call and test this delicious preparation and learn of the many ways it can be used in the sick room and kitchen. Stereo is different from other preparations of this kind. It dissolves very readily, is fully flavored and very nutritious. Sold in two size packages—10c. size contains 4 cubes; 25c. size contains 10 cubes.

GOLD WRIST WATCH FOR FAIRVILLE MAN OF 26TH
 Yesterday afternoon a very pleasant family gathering was held at the home of David Linton, Prospect street, Fairville. During the afternoon Kenneth Linton of the 26th battalion was made the recipient of a handsome gold wrist watch by his three uncles, Wm. J. Samuel, and David Linton, Jr. The young man leaves his native village bearing the best wishes of friends and relatives for a victorious campaign in the war and safe return.

Your Children's Health Depends Largely on PURE MILK
 On the purity and cleanliness of Milk rest its fitness and value as food, especially for growing children, but particularly for babies. It needs no telling that hundreds of infants have died from drinking Milk containing the germs of Scarlet Fever, Diphtheria, or other contagious diseases, which came from diseased cattle, diseased farmers or farm help, or from unsanitary methods of handling.
 Nothing takes disease germs quicker than Milk and, with this in view, neither effort nor expense have been spared in the production, handling and care of
Primecrest Farm Pure Milk
 which comes from healthy, clean, contented cows that are well fed and cared for, and properly housed in cleanly, sanitary barns.
 At Primecrest Farm the Milk is drawn through sterilized gauges, into sterilized pails and cans, then scientifically cooled to prevent all trace of disease, and delivered on the day it is taken from the cows, in sterilized, sealed glass jars. The Milking Staff, who are medically inspected, are guaranteed personally clean and healthy, wear clean, snowy-white duck suits during milking time, and even wash their hands after they've milked each cow.
 Pure Milk 9c.—Certified Milk 9c.—Special Baby Milk 12c. Qt.

RIOT RECALLED AT THE MEETING
 Yearly Session of St. John Railway Co. Shareholders
THE EARNINGS FOR 1914

War Had Some Effect on Finances
 —Police Matters in St. John Referred to in Connection With Last Summer's Troubles
 The twentieth annual meeting of the St. John Railway Company was held this afternoon in the company's offices, corner Dock and Union streets. The report of the president and directors showed a profit and loss after the payment of dividends and interest, but considerable outstanding liabilities on account of war time difficulty in selling sufficient bonds to meet capital expenditures. An interesting feature of the report is a reference to police matters in connection with the riots following the strike last summer.

Col. H. H. McLean, M.P., presided at the meeting, and directors for the coming year were re-elected as follows:—Hugh H. McLean, president; Fred R. Taylor, vice-president; James Manchester, Hon. W. H. Thorne and J. K. L. Ross.
Annual Report
 The report of the president and directors for the year ending December 31, 1914 was as follows:—
 To the Shareholders: Your directors have the honor to submit their twentieth annual report and balance sheet for the year ending December 31, 1914.
 The earnings for the year, after providing for the interest on the bonds and all other charges were \$78,098.88, out of which your directors have declared and paid for quarterly dividends of one and one-half per cent, each, amounting to \$69,822.78, leaving a balance of \$8,276.10, which has been transferred to profit and loss account.

The war has affected to some extent the company's business, and the railway earnings were materially reduced in consequence of the interruption to our traffic during the summer months by the city repaving Main street and Paradise row.
 The company's property has been maintained in a high state of efficiency, and a considerable sum has been spent in the upkeep of tracks, rolling stock, power plants, gas works and buildings.
 During the last year we have carried through the following works:
 Extended our railway from Kane's Corner to Croucaville and from the One Mile House past Rural Cemetery to Coldbrook and Glen. This in all three and one-quarter miles. We cannot expect any net return from the operation of these extensions for several years, but they were built in pursuance of the company's progressive policy to furnish the best service possible.
 We also built another new fireproof car barn on Westworth street, size 58 ft. x 218 ft. laid 2 1/2 ft. in all three and one-quarter miles. We also installed gas ranges and appliances; purchased twelve new semi-converter cars with equipment.

The Strike
 A strike of our street railway employees belonging to the union commenced on July 22 and ended July 24. Since the incorporation of our company twenty years ago, the relations with our employees have been most satisfactory. Questions arising between us have been amicably and quickly settled. In June last, our manager, by order of the board of directors, dismissed a conductor named Ramsey for cause. A board of conciliation was appointed for by the union employees, and the minister of labor appointed H. T. Hayes, His Honor James G. Forbes and James L. Sugrue as such board. After hearing the evidence submitted, the board of conciliation reported: "That the action taken by the directors in dismissing Ramsey was properly taken to support the authority of the manager, and to preserve discipline, and for the best interest of the public, and with due regard to public safety."
 The union, however, declared a strike, and in consequence no police protection being afforded, a gang of rioters on the evenings of July 23 and July 24 did serious damage to our plant, equipment, power house, street lights and cars. The amount of the direct damage was \$15,500. The consequential damages by reason of the tying up of our road and business was about \$10,000 to \$15,000. We put in a claim to the city to be reimbursed for the actual damages suffered by our company, but the city refused to recognize any liability.
 In view of the fact that the police did not afford us any protection in the running of our cars or attempt to control or stop the rioters from damaging our property, your directors are of the opinion that the city should have reimbursed us for the loss the company has suffered. The police force has now been reorganized and increased, a new chief of police appointed, and we hope that full protection will in the future be given to the city and citizens, and property fully protected.
 Your board expected to dispose of the treasury bonds to meet payments on capital expenditure, but owing to war conditions and consequent financial depression only \$21,800 were sold.
 Respectfully submitted,
HUGH H. McLEAN, President.
 Saint John, N. B., February 22nd, 1915.

OCEAN FREIGHTS AT NEW RECORDS
 Hundred and Thirty-six Shillings Hinted At
STEADY CLIMB SINCE WAR

Sailing Vessels Also Getting Very High Freight—Tonnage Very Hard to Get—Local Lumbermen Need Snow
 The highest point in trans-oceanic freights during the war was reached today when the unprecedented offer of 180 shillings on deals was hinted at, more than twice as much as the rate prevailing in August at the outbreak of war. The freight then was fifty shillings; later it went to eighty-five; then it took another jump to 100, while up to last week the highest offer on steamers reached 115 shillings. With sailing ships freights are also exceptionally high, increasing from seventy shillings in December last to 110 shillings today. Because of it being practically impossible to secure steamer shipments even at this extreme rate are not heavy, and besides, the foreign market is uncertain.
 Local lumbering conditions have been very favorable through the winter, but unless snow comes soon to the aid of the dealers to help them get out the cut, there will be large quantities hung up without hope of being rafted this spring. At the head of the St. John river and in other parts through the southern districts of the province lumbering has been very encouraging, except for the present lack of snow, but on the North Shore conditions have not been so good.

L. R. ROSS GETS WORD OF DEATH OF BROTHER-IN-LAW
 Wm. G. Morrison Dead in New York After Only Few Days' Illness

L. R. Ross, of the I. C. R., received a telegram on Saturday night from New York, informing him of the death of his brother-in-law, William G. Morrison, of Clarence Whittman & Co.
 Mr. Morrison had been sick only a few days, with pneumonia, and his death was a shock and surprise. He was born in St. John, the eldest son of the late John Morrison who, in early days, built ships where the C. F. freight sheds now stand. He went to New York after the St. John fire in 1871, and remained there steadily since that time.
 He is survived by two sons, Dr. William Howe Morrison of New York, and Rev. Palmer Morrison of Paris; two brothers, John Charles, residing in St. John; Andrew W. of the I. C. R., Moncton; and three sisters, Mrs. George Sands, Mrs. Archie Wilson and Miss Lydia at home.
 The funeral will take place in New York. He will be buried beside his wife in Greenwood cemetery.

Y. M. C. A. SPORT
 On Saturday afternoon the Junior "A" Bat Ball League played a double header. The Aces and the Canucks first played and the Aces outclassed the Canucks in very hot contest. The score was 11 to 1. The second game was another easy victory for the Champlains over the Pirates, 21 to 2.

Canucks	Won	Lost	P.C.
Aces	2	1	667
Maple Leafs	2	1	667
Champlains	1	2	333
Pirates	0	4	600

On Saturday afternoon in the Busmen's Volley Ball League, the Mercer-Guy game was postponed. Henderson's strong quintette and the Lawyers' fast team met. They have been putting up strong and interesting games. In their first meeting the Lawyers were defeated two straight. In the second round the Lawyers were in better shape and, again meeting Henderson's team on Saturday afternoon, a different story resulted. One of the most interesting and fast games of the season was played. The first game the Lawyers took from Henderson's team, 21 to 18. In the second game the business men came back strong and defeated the Lawyers 21 to 8. The third game was the greatest played, the Lawyers took quite a lead having 15 to 9, but the business men pulled up and tied the score. Then came the battle royal when the business men took one point in the lead, but were soon overtaken by the Lawyers, Mr. Dunlop putting three straight points over for the Lawyers and thus winning the game. These teams now are tie. Following is the standing:—

Lawyers	Won	Lost	P.C.
Henderson	5	2	714
Ministers	3	3	500
Guy	2	3	400
Mercer	2	3	400
Dickson	1	5	167

Paid 21st October.....15,000.00
