**BROTHER ON THE GOLIATH**  
**PAY \$200 OR GO TO JAIL FOR HALF YEAR**  
 F. J. Punter of St. John Made Anxious by News From Dardanelles  
 F. J. Punter of this city is anxiously awaiting further news of the sinking of H. M. S. Goliath in the Dardanelles. The cause of his anxiety is the fact that he had a brother on board and, until some further word is received, he must remain ignorant of whether his brother is among those who were saved.  
 His brother, Bert Punter is thirty-one years of age, is in his fourteenth year of service and held the post of captain of torpedo tubes. He was with the Goliath when she assisted in the bombardment of Dardanelles, a German port on the east coast of Africa, in January and came through safely. Since then Mr. Punter has not heard from his brother.  
 Mr. Punter comes of a naval family, for in addition to his brother Bert, he has another brother, Charles H., on the active reserve in England, while he himself, also, has a long experience with the British navy.
