## The New Patriotism

There is more than one way  
of serving your country. We  
cannot all go forth to fight on  
the blood-stained fields of  
France and Belgium, but it is  
within everyone's power to  
help crush the monster that  
threatens Europe.

Modern warfare is a battle of resources, financial  
resources most of all.

Every dollar you spend for goods "Made in Canada"  
is increasing the wealth, the resources, of the Empire,  
it is giving employment to Canadian workmen, it is  
contributing to Canada's welfare, and it is supplying  
the sinews of war to Britain, it is helping to fight  
the enemy.

The new patriotism seizes every opportunity to  
help—the enlightened patriot insists that every-  
thing he buys be "Made in Canada."
