Daily Hints For the Cook

DUMPLINGS FOR STEW.

Two cups flour, ½ teaspoon salt, 2 teaspoons baking powder (not heaping), milk enough to make soft dough. I mix with a silver knife and handle very little. Roll out and cut in shape and steam in a greased colander over boiling water 20 or 25 minutes.

COLONIAL FRITTERS

One cup of fine bread crumbs, heat a cup of milk and pour over them, and set aside to cool, then beat smooth, and add yolks of 2 eggs beaten with a tablespoon of sugar. Sift together 1 cup of flour, a little salt, about ¼ of a teaspoon of grated nutmeg and cinnamon, 2 teaspoons of baking powder, and add to the mixture. Beat well, then fold in the beaten whites, beaten to a stiff froth. Fry in deep fat, roll in powdered sugar and serve with a sauce. Half a cup of currants, floured and added to the mixture, makes it nicer.

HUMILIATED WOMEN

Would Not Attend Social Functions Because of Her Hair

There are many women in this world, handsome in features, perfect in form, graceful of movement and brilliant of mind, who keep in the background just becauses they have thin, colorless and lustreless hair.

In Paris they understand things about the hair that we do not know in this country. It was a Parisian, Dr. Sangerbond, who discovered that thin hair and dandruff are caused by a microbe.

It is Parisian Sage that proves Dr. Sangerbond's theory to be correct, for it is rigidly guaranteed to kill the dandruff germ and cure dandruff, falling hair and itching scalp in two weeks or money back.

Parisian Sage is a delightfully pleasant hair dressing and invigorator; it is not sticky or greasy. It should be used freely in spring and summer as it keeps the scalp clean and cool and free from odors.

Parisian Sage comes in large 50-cent bottles and is for sale by all druggists and leading druggists everywhere on the money-back plan. "The Girl with the Auburn Hair" is on every package. Made in Canada by The R. T. Booth Co., Ltd., Fort Erie, Ont.

CALGARY MARKET TO MEET WOMEN'S IDEAS

Direct Sale to the People by The Farmers Their Plan for Cheaper Living

Calgary, May 27—The recently organized Consumers' League, composed of upwards of 3,000 women of Calgary, is shaping its policy in the campaign for lower prices on necessities.

The women believe that a big public market, centrally located, and properly supplied with adequate trackage facilities; a place designated so that the farmer can deal direct with the housewife, thus eliminating the middleman and thereby abolishing the latter's profit, is the only correct and lasting solution of the high cost of living problem.

For the first time in Canada, a committee of housewives met another committee composed exclusively of farmers, and decided that the producer and the consumer have been too far apart, and that as far as Calgary is concerned they will become better acquainted in a business sense. The public market scheme was resolved upon as being the quickest means to the desired end, and the conference broke up with the representatives of each committee committed to the policy of a municipal public market.

The co-operation of the city council has been secured. A site in the business centre of the city has been promised and funds supplied for the construction of a market after the women's ideas.

A memorial tablet in memory of the late King Edward and commemorating Cornwall's county fund on behalf of hospitals and sanatoria, was unveiled on the 19th ult. Queen Alexandra sent a telegram expressing grateful thanks to all who had contributed to the fund "raised as a memorial to my beloved husband, King Edward."

The New Food-Drink

Instant Postum

Is in thousands of homes where health is valued.

Former tea and coffee users who have felt the pinch of indigestion, headache, heart disturbance, nervous irritation, etc., have written by the score, telling of remarkable benefits following the change from tea and coffee to Instant Postum.

A level teaspoonful in an ordinary cup of hot water dissolves instantly and makes it right for most persons.

A big cup requires more and some people who like strong things put in a heaping spoonful and temper it with a large supply of cream.

Experiment until you know the amount that pleases your palate and have it served that way in the future.

"Thanks for the sample of **Instant Postum** sent me. I had been drinking coffee for a long time and thought it would be difficult to give it up, but I was mistaken.

"While I was drinking coffee I always felt exhausted and I weighed but 112 lbs. After using Instant Postum I soon recovered and now am as healthy as any person can be. I now weigh 120 lbs. and am steadily gaining in weight." Name given by Postum Co., Battle Creek, Mich.

Postum comes in two forms.

Regular (must be boiled).

Instant Postum doesn't require boiling, but is prepared instantly by stirring a level teaspoonful in a cup of hot water.

Both kinds are sold by grocers everywhere

Twenty blushing brides ran down the gang-plank of the steamship California on Monday into the arms of twenty eager bridegrooms. Gladness reigned until the immigration authorities found that eight of the girls did not have papers to prove their identity, and told them they could not remain unless they were married first at Ellis Island. When the other 12 heard this they said they would all stand together, and the 20 couples left for the island to find a clergyman. The prospective brides came from Scotland and Ireland.

Mr. John Saxeby, a famous inventor, has died at Hassock's, near Hayward's Heath, at the age of 91. He was born at Brighton in very humble circumstances. For over 22 years he worked for the Brighton Railway Company, and brought out a signalling lamp which gave twice the light of those in use. For this the company gave him £50. Fame and a fortune of £200,000 came to him through his invention of interlocking railway points and signals.
