Agents, for Nova Scotia J. H. Liddell & Co.  
Medical Adviser, Rufus S. Black, Esq.

November, 1843.

## The Popular Remedy!!

**A**S the Medical Properties of Parr's Life Pills differ in many respects very essentially from the Pills that have hitherto been brought before the public—the Proprietors have thought it advisable to make the public acquainted with the general proprieties they possess. Parr's Life Pills, as a Purgative are found to act very gently, indeed when they do purge freely it is owing less to their purgative qualities than the very bad condition of the system they are acting upon. The vegetable ingredients of which they are strictly composed, will in all instances chemically decompose the deleterious matter that is generated by various causes, and impedes the vital and organic operations of nature in the human frame. Their action is principally by decomposition, invigorating the crassamentum of the blood, strengthening all the organs effectually, without any of that stimulating effect so injurious in purgatives generally.

They are certain in the cure of bilious, and all disorders arising from a deranged condition of the digestive organs, Dyspepsia, Foul Breath, Debility, Chronic or recent Colds or Coughs, Liver Complaints, Pains in the breast or side, Head-ache, Costiveness, Wind, Spasms, Dysentery, Low Spirits, Want of Appetite, Palpitation of the Heart, particularly from Colds, Asthma, Rheumatism, Scrofula, and all diseases arising from impurities of the blood. They are extensively used in England and all parts of France and Germany as a family Medicine, being entirely free from all mineral preparations, very mild in action, and soothing to the system. Elderly persons will find great benefit from taking this medicine—it is a most valuable medicine for the numerous diseases prevalent in the fall of the year.

The above Medicine is sold wholesale for the Proprietor in Halifax, at MORTON'S "Medical Warehouse" near the Province Building, and may also be had genuine at the following places,—

Truro,	at the store of Mr. T. B. Dewolf,
Newport	" " R. Wescot,
