"Wilbur House." Bathurst, Cloucester Coun-

ty, N. B. This House, which has been enlarged and thoroughly repaired, repainted and refurnished, will be open to the public on

Monday next, 12th June. As regards situation, it is located in a very pleasant town, and being in close proximity to the Baie des Chaleurs, is one of the very best summer resorts for tourists and families who leave the heated cities to seek the invigorating air of the North. The County excels in beautiful scenery and excellent fishing grounds. The hotel is within easy reach of the Intercolonial Railway, and every effort will be made by the Proprietor to secure the comfort and pleasure of all who may patro-nize the establishment, which will be con-
