J. A. BEATTY, MANAGER

Terms One Dollar a Year in Advance.

WEDNESDAY, NOV. 21. NEWFOUNDLAND The state of affairs in this colony ed more than ordinary attention. extraordinary character. A year men had come for vengeance. On since, the general election took landing the worst fears of the captain. The audience was worked up to a fury nobility of Russia and every other place for the election of represent- and crew were realized. Traces of a of excitement. Boys and men stood European country and the long platplace for the election of represent-atives to the legislative assembly, and the west cannibal feast of recent date were found. Without doubt, all the incomposed of thirty-six members.

What the particular issues involved with the most horrible of deaths, in the contest were, are uninteresting to the outside world. The being tortured and afterwards devoured by the cannibals. Carlson and Millar, two of the victims, growing fainter with every minute, dead Emperor. Amid the solemn mugovernment, of which Sir William Were prominent citizens of Sydney, and in that city a movement is on foot to ask the Government, to allow a company of volunteers to visit Mrs. Fitzsimmons were present till the Alexander III. was removed to the thirteen opposition. The opposit- Admiralty Island avenge the death last. ion then protested seventeen of the of their fellow citizens.

About 2.15 o'clock Captain Quigley coffin was golden. The procession government seats, on the ground of At New Ireland the Australian placed Fitzsimmons under arrest and moved at 10,30 o'clock. It was opn bribery and corruption, and asked trading post was burned to the ground, took him to police headquarters. The ducted upon same plan as that in that each be disqualified, alleging A prominent white trader, named middleweight champion seemed to Moscow, only more elaborately. The that public money had been spent, before and during the elections in feared the entire white population even change color. "Yank" Sullivan 1,30 p. m., and the coffin was placed before and during the elections, in the repair of roads throughout the the ran-eating savages. being the police would not actated a cathedral. A requirem service followed, the hands of the man-eating savages. colony, and that each expenditure influenced the results. Sir William Whiteway advised the disso-stole liquor at the trading posts and lution of the House, which the that the effect on their semi-civilized governor Sir Terence O'Brien, act- natures was to convert them again

of the British government, refused. they had so recently emerged.
