UNION

cained; a part of it will have to be dis-charged. The following paragraph from the New York Heraid of the 16th may be read with interest here: Steamer Alava (Sp.) for St. John, N. B., and ferryboat Northfield on her trip from Staten Island to New York, col-lided early yesterday morning during thick fog. The Northfield has gone to Cliffon for repairs. She was struck on starboard side, and her timbers and dock were badly smash-ed and bow damaged. The Alava was very slightly damaged and proceeded on her voy-age. CARR-At Hartland, May 13th, to the wife of J. T. G. Carr, a daughter. MACHUM-At St. Mary's, York Co., N. B., MACHUM-At St. Mary's, Yark Co., N. B., on May 17th, to Mr. and Mrs. J. C. Machum, a son. STRENZ-At Amherst, May 12th, to the wife of Noel B. Steele, a son.

sugnity damages and proceeded on her voy-age. A London cable of the 16th says: Bark White Wings, Capt. Lawrence, from Rio Ja-neiro, before reported, has been towned into Bahia partially dismasted. She struck on the bar and leaks considerably, but her pumps keep the leak under. Extent of dam-age to cargo, if any, not yet ascertained. She must discharge. An agreement has been made to repair her for f500. Gapt. Henry Starrat, who had been ill about a year, died at his home in Digby last week. Deceased was El years of age. He was born in Rossway, but for twenty-five years he had resided in Digby. He followed the calling of the sea his whole lifetime since 1874 and was known as a sallor of thorough

Mathematical description of the sea his whole lifetime since time of a large number of reseels and never loss on a catego number of reseels and never loss on a catego number of reseels and never loss on a catego number of reseels and never loss on a catego number of reseels and never loss on a catego number of reseels and never loss on a catego number of reseels and never loss on a catego number of reseels and never loss on a catego number of reseels and never loss on her way to Cubz. His last worage was in the brightine Ethel Clarke, which was estaded with an attack of the list ness which, though sometimes less acute than at others, proved fatal in the end. Brighted April 16, lat 37 N, lon 48 W. Her meters were awash. A great stench arose from the vessel, presumably from her carge. A Halifax despatch of the list arys: Str. Fermona, of the Thompson line, from Mon-trede a sunken field of ice off Cape St. Mary's, near Cape Race; on the 13th, which store the ship's port bow, filling the fore compariments with water. The cargo was not damaged. The ship otherwise is all right. Sho expects to make temporary re-pairs at North Sydney and proceed. WESTMOBLAND LIBERALS.

Ald. Robinson, of Moncton, Chosen as the Candidate in the Coming Contest.

Moncton, May 18 .- The liberal convention at Dorchester today was fairly attended. Alderman Robinson, John T. Hawke, Harvey Atkinson, A. E. Killam, M. P. P., of Moncton, and W. Woodbury Wells of Port Elgin were named as candidates. All but the two first named withdrew, the balloting resulting in the selection of Alderman Robinson, 60 to 33. Therewas some difficulty in inducing Mr: Robinson to accept, but after conside-erable pressure he consented, and speeches were made by the candidate, speeches were made by the candidate. Hon. H. R. Emmerson, and Messrs. Wells and Killam. Resolutions were passed endorsing Mr. Laurier's atti-tude on the school question, demanding. lower freight rates on the Intercolou ial for farmers, etc.

THE FAST FREIGHT.

Success of the Beaver Line Will Give St. John Increased Business Next Winter.

Montreal, May 18.-Hon. W. B. Ives, at an interview in the Windsor hotel this evening said that he endorsed the statement of Hon. Geo. E. Foster regarding the fast freight line from the port of St. John. He declared that the policy of the government of giving no mail subsidy to any steamers touchvessel. Intervines winds us a mail subsidy to any steamers touch-ing at a United States port would be at Maitland in 1989 by her commander, rigidly adhered to. The success of the rigidly adhered to. The success of the Beaver line experiment of the past winter would certainly give a largely increased tonnage to St. John next winter. The mail subsidy, together with the special subsidy given last winter to the Beaver line, will absolutely enforce the carrying out of the declared policy of the government, namely, the shipping of Canadian products from Canadian ports.
