"HUMANOV"-What Is It? Damon and Pythias at the Unique The beauty of Ungar's laundry work is not at all on the outside. It goes right through. Tel. 58.

The members of the Water and Sewerage Board will journey to Mispec this afternoon for the purpose of inspecting the Mispec pulp mill, which is city property. The inspection is the result of a motion made by Ald. McGoldrick at the last meeting of the Water and Sewerage Board. The motion was caused by the application of the lessees of the mill property to have their annual rental reduced from \$3,500 to \$2,-600.

MAJOR-GENERAL LAKE INSPECTS ARTILLERY

The general inspection of the 3rd New Brunswick Regiment, Canadian Artillery, took place last evening, General Lake, the inspector general, being the inspecting officer. The regiment was inspected as a battalion and each battery as a companty.

At 8.30 the regiment, under the command of Lt. Col. Baxter, was drawn up in line on the Barrack Square ready to receive the inspector general. The band of the 62nd St. John Fusiliers performed the band duty of the inspection, the band of the Artillery being

MURDERED BY SAILORS

HALIFAX, Aug. 4.—News comes from St. Pierre, Miq, that on Saturday last a man named Lucien Larrieux, a boarder at the house of a widow named Poirrier, was robbed and murdered by three sailors from the French brig Mareloir. The story is that the sailors found Larrieux asleep in his room and in robbing him woke him up, and while in the act of raising they stabbed him. The men escaped and Larrieux died in the hospital. One of his assailants was described by Larrieux as having a long beard. At Brooklyn-St. Louis, 0; Brooklyn, Larrieux as having a long beard.

FIRE AT FREDERICTON

FREDERICTON, Aug. 4.—The fire department was called out this afternoon for a fire in Hurley's barn, George street. When the firemen arived the flames had gained considerable headway, and for a time it looked serious. The loss is estimated at about \$400 and is fully covered by insurance.
