In case of a tie for any of these prizes, the prizes of equal value will be given to contestants who tie for same.

Send or bring in your subscriptions to the Contest Department of the St. John Standard as you receive them. A careful count will be kept of all votes issued on all subscriptions turned into the Standard Contest Department during the above mentioned dates. A full credit will be given you on the books as the subscriptions are turned in. The votes secured to apply on the special cash prizes count toward the regular prizes also, and do not interfere in any way with your chance of winning one of the regular prizes. Like the other votes issued on subscriptions you do not have to publish them at once, but you may hold them and publish them at any time up to the last day of contest as heretofore. No matter what your standing in the list of contestants may be you have an equal chance to win one of these cash prizes. The awards will be given to the winning contestants on Monday, May 13. Winning one of the extra cash prizes does not interfere with the ten (10) per cent. Cash Commission paid to non-winners of one of the regular prizes.
