### INTERNATIONAL BILLIARDS.

New York, Sept. 28.—Melbourne Inman, of Twickenham, England, world's champion at English billiards, scored 929 points in the first session of the international match here tonight. Willie Hoppe, of this city, holder of the world's title for billiard, who was Inman's opponent, made 504 points. The first game was played on a 512 English table and Hoppe's victory was fairly pronounced, although his unfamiliarity with the English style.

## THREE GREAT CAPTAINS OF THE GRIDIRON

The biggest consignment of Eastern football interest is arranged around three football teams—Yale, Princeton and Harvard—Harvard wearing its so-called championship, and the Tigers and Bulldogs pointing in that direction, with old stings to be cured that can be wiped out with victory alone. For this reason it is safe to say that the three biggest men in football in the Eastern section are the captains, Brickley, of Harvard; Ballin, of Princeton, and Talbot, of Yale. On them "Random's" telescope is turned. Brickley more particularly than the other two is basking in the limelight, for without its star field goal kicker Harvard really has no greater chance of continuing along the titular path than have Princeton and Yale. He is the edge that Harvard holds. If he enters the big games of the season in form Harvard must be credited with having about twenty-five yards the advantage, for any time the team gets within that distance of its opponent's goal Brickley is within striking distance. The Crimson has this much of a bulge unless its rivals can develop a kicker of equal ability, and Brickleys are not to be found scattered promiscuously around gridirons.

## GEERS' TROTTER SENSATIONAL PERFORMER

Columbus, Ohio, Sept. 28.—From ten heats on this afternoon Columbus Grand Circuit racing program, a time average of 2.04, 67-100 was secured for a reduction of the world's record made on the same track last Tuesday when thirteen heats were trotted and paced in an average of 2.05 1-15. Elawah, the Geers trotter, was the sensational performer. In winning the Chamber of Commerce stake, he made a world's record three heat trotting mark, regardless of sex or age. The total, 6.13%, is just two seconds below the mark made by Hamburg Belle at Hartford in the Charter Oak stake race in 1908. Summary:

## WILL ATHLETIC MACHINE CRACK IN WORLD'S SERIES?

New York, Sept. 28.—Wilbert Robinson, the portly person who manages the Brooklyn Dodgers, is trying to figure out whether John McGraw slipped something over on him relative to Marty O'Toole, the \$25,000 pitcher.

About a month ago when word reached Robinson that Barney Dreyfus was going to ask waivers on O'Toole the Dodger boss remarked to McGraw that "I guess I'll put a bid for that fellow."

"Doncha do it," said John to Wilbur. His elbow is gone.

Wilbert believed John—and he spurned the chance to get the pitcher. The next thing Wilbert knew, however, was that John McGraw had slipped into Pittsburgh and slipped right out again with O'Toole in tow. Worse than that, John sicked O'Toole on to the Dodgers in O'Toole's first start in a Giant uniform and O'Toole gave the Dodgers a beating.

Naturally Wilbur is much puzzled. For a large flock of years Wilbert acted as John's understudy in those dear old Giant days. Wilbert grew to know John like a child trusts a fond and doting parent. In Wilbert's eyes John was all right. Even after Wilbert cast his Giant uniform aside and donned the togs of the Dodgers he loved and revered John in the same old way.

But now Wilbert is wondering. Has John taken a sudden turn for the worse? Did he intentionally double-cross an old pal by steering that pal away from the chance to grab a pitcher at a bargain price so that he could grab him unto himself? Or was it done

## MACKMEN CLINCH THE CHAMPIONSHIP

Philadelphia, Sept. 28.—Now that the Philadelphia American League baseball team has clinched the championship of that organization, officials of the club are making active preparations for the world's series. The Athletics and the Boston Red Sox still have eight games on their respective schedules. If the Athletics lost all eight their percentage would be .625, while by winning all, Boston would have a percentage of .621.

The victory of the Athletics in the American League race gives Connie Mack his sixth championship, a new major league record. Under his tutelage they won the league pennant in 1902, 1905, 1910, 1911, and 1913, and in the latter three years they also captured the world's championship.

The National Commission will hold a meeting here next Wednesday to make final arrangements for the world's series, the first game of which will probably be played on either October 8 or 9.

### KID WILLIAMS WON.

Philadelphia, Sept. 28.—Kid Williams, of Baltimore, the bantamweight champion, tonight stopped Kid Herman of Pekin, Ill., in the fourth round of what was to have been a six round bout. Herman forced the fighting in the first round but weakened in the second and was forced to the floor in the fourth round by a succession of body blows delivered by the champion.

## Careful, Cautious and Canny

IN Canada it was all right for manufacturers to pause when the tumult and confusion of war shook the ground beneath their feet and unsteady them. But it is not all right for Canadian manufacturers to go into temporary or permanent hiding at this time of national necessity and opportunity. On the contrary, it is time for a broad forward movement.

The man who shrinks from battle, even though the forces opposed may appear overwhelming, takes away from the strength of his comrades. If he deserts, dire punishment is meted out to him. Winning or losing, battle-time calls for men who will fight until overthrown or slain. The careful, cautious, and canny man—manufacturer, wholesaler or retailer—never rises to be a great merchant.

When the war is over, the honored and rewarded men among soldiers and merchants will be those who never faltered, who kept their face to the foe, and who fought dauntlessly to the very end.

The valiant-hearted business men of Canada—retailers, wholesalers and manufacturers—are advertising NOW.

Smart—Refined—Faultless in every detail—combining the limit of luxury with the limit of utility, is the new Ford Coupelet.

Like all other Fords, this beautiful car is economical in operation and low in price. Don't fail to see it.
