"INDUSTRIAL PREPAREDNESS"
If a stone wall were built around this city and it were entirely cut off from intercourse with the rest of the world—the people resident in this favored section would probably find their needs more nearly supplied than if they dwelt in any other locality of the world. We have cheap power, fuel supplies, ideal climatic conditions, unsurpassed transportation, splendid living conditions and varied raw material resources—more so than almost any other section.

ACADIAS WILL AGAIN JOURNEY TO ST. GEORGE FOR A DOUBLE HEADER

The St. John Acadias will play a double header in St. George on Wednesday next and will leave for that town in automobiles. On account of the close game played on Labor day the management are strong in the belief that the only way to settle the question of superiority is to play two more games, thus making it a series of three games. As the St. George team has already "tubbed" one game, they need only to win another, whereas the St. John team will have to carry off both contests in St. George on Wednesday, to win the first place.

The game on Labor Day was considered by those who had the privilege of witnessing it as one well worthy of older players, and it is likely that next week's games will prove real fast ball. Although there may be some changes in the team, the probable line up for the trip will be as follows: Chestnut, pitcher; Garnet, 1st base; McVigian, 2nd base; Curran, 3rd base; Ritchie, short stop; Lathrop, the free field; Loran, centre field; and Green left field.

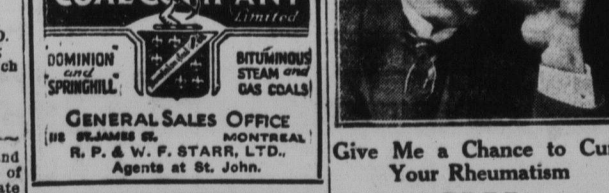

This is the year for thrift and service—Rebuilt Remington provides you with the best service at the lowest price. The Typewriter that's right. A. Milne Fraser, Jas. A. Little, 371 Dock Street, St. John, N. B.
