ENEMY TONNAGE WILL BE HELD

The British Government, the transfer to a neutral flag or own-
doring or after the war any such

that his majesty's government
tral governments had been warned
during the war, and that the neu-
transfers of enemy tonnage made

CHICAGO GRAIN.

Chicago, Nov. 8.—Fresh weakness
developed in the corn market today as
a result of expectancy that an armis-
tice with Germany would soon be sign-
ed. Pressure to sell was general, and
buying support scanty. Pending de-
finite announcement from the White
House regarding an armistice, the
volume of trading was only fair. Open-
ing prices, which ranged from un-
changed figures to 3 1/2 cents lower,
with December and January both
1.20 1/2 to 1.22, were followed by a moderate
rally and then by a descent lower
than before.

Oats showed a little more strength
than corn, although affected to some
extent by the bearish action of corn.
Hedging sales were in evidence. After
opening unchanged to half a cent
lower with December 70 to 70 1/2, the
market scored a slight gain which at-
terwards disappeared.

Provisions fell with corn. Lard and
ribs declined to the maximum limit
allowed for a single day.

HALIFAX WILL CASE.

Ottawa, Nov. 8.—The appeal of
Robinson vs. Simpson, was heard by
the Supreme Court today. This was
a will case, a portion of the residue
of an estate being in dispute between
two sets of claimants.

The will in question is that of the
Hon. James Cochran, of Halifax, in an
event which happened the residue of
the estate was left to the grand-children
of the testator's brothers and
sisters. One brother was Thomas C.
Cochran, who lived in New York, and
the dispute is as to his identity. A
Thomas Cochran also lived in New
York, and another lived in Mitchell,
Ontario. A referee appointed by the
surrogate court decided that the New
York Cochran was the testator's brother.
This was reversed by Russell
J., but restored by the full court. G.
F. Henderson, K.C., appeared for the
appellants.

Rogers K.C., and Burchell, K.C., for
the respondents.

OBITUARY.

Andrew Hicks, aged about 45 years,
succumbed Wednesday at his home,
Clarence street, to an attack of in-
fluenza which later developed into
pneumonia.

The late Mr. Hicks was an employee
of the city water works department,
and was widely known throughout
the city. He grew ill a short time
ago, and gradually grew worse. He
leaves a widow and one little child
to mourn the loss of a loving husband
and father. To the bereaved ones is
extended the sincerest sympathies of
all who regret to learn of the early
demise of the late Mr. Hicks.

there were 3,015 deaths from Spanish
