of our convictions as to the incomparable quality of

is herewith illustrated. Note—Should any person at any time feel in the slightest degree dissatisfied with "Salada" they are privileged to return the whole or any portion of the packet to their grocer or our office, and the full amount paid for same will be cheerfully refunded.

This is not a bluff, but a bona fide offer that we will stand by. "SALADA" is never sold in bulk.

Sealed lead packets only. 25c, 30c, 40c, 50c, and 60c.

Beware of spurious substitutes.

pointed out that his offence was a grave one and left him liable to a lengthy term of imprisonment. The counsel for the Dr. Williams' Medicine Co. stated that his clients did not wish to press for severe punishment at this time; they only wished to establish the fact that representing an imitation pack to be the same as Dr. Williams' Pink Pills was a crime which left the perpetrator liable to a lengthy imprisonment. On one charge the judge then imposed a sentence of ten days, with the option of a fine of ten dollars, and in the other case a sentence of two days in jail without the option of a fine.

This decision is likely to have a far-reaching effect, as it seems to establish the principle that substitutes and those who sell imitations representing them to be "the same as" Dr. Williams' Pink Pills, are liable under the criminal code, which is in force all over the Dominion, and it will no doubt, to a considerable extent, put an end to this nefarious business, as it is evident from the fact that the Dr. Williams' Medicine Co. went to the expense of bringing this man back from so great a distance as St. John, that they intend sparing no expense to protect both the public and themselves in such cases.

Mr. Fowlie was appointed interim Moderator of Session.

The people of Maple Valley and Southampton asked leave to moderate in a call. The request was granted and Mr. Neilly appointed to moderate.

Messrs. Anderson and Kelson from Gandler congregation, and Messrs. Hilborn and McGill from Tarbert, presented petitions largely signed asking for the union of these congregations.

Messrs. McMillan and Neilly were appointed to confer with the parties interested and report at next meeting.

Rev. D. McKenzie, B.A., submitted to the Presbytery his resignation of the pastoral charge of the congregation of St. Andrew's church, Orangeville.

Messrs. Moody and McKittrick, commissioners from the Session and congregation respectively, bore testimony to Mr. McKenzie's faithful pastorate and able pulpit ministrations.

As Mr. McKenzie adhered to his resignation, it was moved by Mr. Faquharson, duly seconded and agreed, that the Presbytery receives with regret the resignation of Mr. McKenzie, sorrow at the prospect of losing his services from the Presbytery, but after his urgent statement as to his convictions of duty and all the circumstances in connection with the case, the Presbytery now accepts his resignation to take effect on the 15th inst. The Presbytery in accepting the resignation wish to record their high esteem for Mr. McKenzie. As a teacher he has been scholarly, faithful and earnest, as a presbyter, diligent in attendance, kindly and wise in counsel; and in every relation in life he has won the fullest respect from all his brethren. With sorrow the Presbytery severs the pastoral tie, and pray that he may be long spared to carry on the work so dear to his heart.

Mr. Bell, of Laurel, was appointed interim Moderator of Session.

Mr. John McLean from Ballinac, and Mr. Foster from Melville church, asked the Presbytery to appoint a pastor. Messrs. Fowlie and Bell were appointed to attend to the matter.

Next meeting at Orangeville, March 5th, at 10.30 a.m.—H. Crozier, Clerk.

HOW SOME OF OUR READERS CAN MAKE MONEY.

Last month I cleared, after paying all expenses, \$355.85; the month previous \$260 and have at same time attended to other duties. I believe any energetic person can do equally as well, as I have had very little experience. The Dish Washer is just lovely, and every family wants one, which makes selling very easy. I do no canvassing. People hear about the Dish Washer, and come or send for one. It is strange that a good cheap washer has never before been put on the market. The Iron City Dish Washer fills this bill. With it you can wash and dry the dishes for a family of ten in two minutes without wetting the hands. As soon as people see the washer work they want one. You can make more money and make it quicker than with any other household article on the market. I feel convinced that any lady or gentleman can make from \$10 to \$14 per day around home. My sister and brother have started in the business and are doing splendid. You can get full particulars by addressing the Iron City Dish Washer Company, Station A, Pittsburg, Pa. They help you get started, then you can make money awfully fast.

MRS. W. H.

HAMILTON PRESBYTERY.

This presbytery met on Jan. 18th. Besides routine business Rev. J. Gourlay was received on certificate from the Presbytery of Bruce under the care of the Presbytery. He is at present supplying Dunnville with acceptance. A call to Rev. D. H. Hodges, from Ancaster and Alburton was sustained, salary promised \$720 and use of manse. The resignation by Mr. Mann of Smithville and Muir's Settlement was accepted to take effect on Jan. 31st. Mr. Cruickshank was appointed Moderator of Session during the vacancy. A committee was appointed to consider the best way of dealing with Barton

and Locke street, Hamilton, in view of the reported inability of the former to continue the present amount of salary, and the desire of the latter to have the whole time and service of the pastor. Measures were resolved upon to secure more thorough inquiry regarding the givings of the congregations within the bounds to all the Schemes of the Church. Mr. Day gave notice of an overture re systematic dealing with resignations of ministers and the settlement of vacancies. Mr. Ratcliffe gave notice of an overture for the discontinuing of the present plan of Distribution of Supply and the substituting of that submitted to the Assembly in 1891. Rev. Dr. Fletcher was nominated as Moderator for next General Assembly.—J. Laing, Clerk.

SHATTERED NERVES.

The Most Prevalent Trouble of the Century.

It Attacks People of Both Sexes and All Ages—A Complete Breakdown Follows Unless Prompt Measures For Relief Are Taken.

From the Newmarket Era.

Probably the most prevalent trouble on this continent to-day is nervous prostration. How frequently we hear this term and yet how few appear to realize its full deadly import. Nervous prostration is to be found among people of all walks in life, and among children as well as adults. Among young people it is often the result of our high pressure system of education. Among those of more mature years it may be due to the cares of business, or to overwork, or worries in the home. But whatever the cause the inevitable result is a breaking down both mentally and physically unless prompt measures are taken to stay the ravages of the disease and restore the shattered nerve forces to their normal condition. One such sufferer who has regained health gives her experience for the benefit of those less fortunate. Miss Edith Draper who resides with her parents at Belhaven, Ont., is a young lady who is very popular among her circle of acquaintances, and they all rejoice at her restoration to health. To a reporter who called upon her she gave the following particulars concerning her illness and cure. "You know," said the young lady, "how ill I was last winter when my friends feared that I was going into a decline. In the early part of the winter both father and mother were attacked with la grippe, and I had to look after them as well as attend to the household work. The strain was more than I could stand, and the result was I fell ill. The doctor who was called in said my trouble was nervous prostration and that it would take considerable time for me to recover. Under his care I was after a short while able to leave my room and go about the house, but my nerves did not seem to regain their strength. My limbs would twitch as though I had St. Vitus' dance, I was subject to headaches, had a very poor appetite and was so weak that I could scarcely go about. I had been advised to try Pink Pills and one day spoke to the doctor about them, and he said he believed they would do me good. I got three boxes, and by the time I had used them I felt they were helping me and I got a further supply. By the time I had taken six boxes I was feeling stronger and better than I had for years. All the twitching in my limbs had disappeared and my nerves seemed as strong as ever they had been. I still took the pills for a little while longer to make certain that the cure was complete, and since the day I discontinued them I have not felt the slightest return of the trouble. I feel that my present excellent health is due to Dr. Williams' Pink Pills, and I am glad to be able to recommend them to any one whose nerves are in a shattered condition.

Dr. Williams' Pink Pills are a tonic medicine. By their use the blood is renewed, and the nerves made strong and vigorous, and in this way disease is driven from the system. As a spring medicine Dr. Williams' Pink Pills are unsurpassed. If feeling languid or "out-of-sorts" a box or two will restore you to vigorous activity. Ask for Dr. Williams' Pink Pills for Pale People and take nothing else.
