NEGOTIATIONS are about being closed, it is said, for the sale of the Harvey Hill copper mines, in the county of Megantic, to the Excelsior Copper Company.

DR. MCGLYNN's advice to laboring men to refuse to pay their rent will, if followed, result in their having all outdoors to keep house in. —*Detroit Free Press.*

THE Intercolonial Railway is a good customer to the Nova Scotia collieries, having contracted for a supply of 195,000 tons of coal for the year ending 1st July, 1889. Of this total, the Spring Hill mines will supply 125,000 tons.

MR. TURNBULL has been appointed managing director in the Canada Cotton Mill at Cornwall. It is to be hoped, says the *Standard*, the appointment will bring about a more harmonious state of affairs in that establishment between employers and employees.

FREDERICTON, N.B., imported for the fiscal year 1887-8 goods to the value of \$350,600, on which the duty was \$47,638.26. There was a decrease as compared with the former year of \$5,382.43 in duty paid. The exports of the year amounted to \$118,531.

THE steel bridge over the Magaguadavic River in New Brunswick, erected by the Dominion Bridge Company in 1886, was partially destroyed last week by an accident. It is stated that the break down was not attributable in any way to bad workmanship.

LEWIS & SONS, of Truro, N.S., who for many years have been largely interested in the manufacture of pegs and lasts, and whose premises were destroyed by fire last week, have contracted for the erection of new buildings. They intend putting in new machinery, and in a few weeks will be again in operation.
