I wonder if all of us saw  
the little shimmering form  
with its ~~coat~~ ~~the~~ ~~plaid~~  
drawn closely around  
it that stood ~~chamching~~  
on the ~~street~~ steps below  
carried away in ~~thought~~  
for the moment from the  
cold & the snow by the  
music which resounded  
above!

This singing continued for  
some time now & then I would  
be lulled by a ~~tautaurine~~  
or the tones & sometimes  
by a violin & harp.  
at any rate there were  
many different tunes, some-  
times, there were solos & duets
