Dear Sir,

Mr. Mackenzie King has asked me to thank you for your letter of the 23rd instant in which you announce the decision of the Hebdomadal Council to confer upon him the degree of Doctor of Civil Law, honoris causa.

Mr. King finds that Tuesday, the 6th of November, is the most convenient day for him to attend, as I had the honour to say this morning.

Yours faithfully,

(signed) A. G. Doughty.
