80

Ottawa, August 27, 1925.

Dear Mr. McLean:

I have your letter of the 24th.

This is the first I had heard of the Guysboro difficulties for many months and was of the belief that they had been cleared up. There would be no use now in writing Mr. Hall, but I will take the matter up otherwise and see if they cannot be adjusted. It is really too bad these things should pile in on us now just because of others years ago.

Yours very truly,

J.H. McLean, Esq.,  
Sherbrooke,  
N.S.
