Ottawa, January 11, 1925

Dear Sir:

Your letter of the 21st December reached me and I immediately took up the matter with the Soldier Settlement Board. The Board inform me that its experience of abandonments in your district will not justify any further loans being granted there. The Board feel that upon consideration of the securities involved and the general conditions in that district it becomes necessary to take this attitude. I am really very sorry I have not been able to be of any real assistance to you but the Board stands on its decision.

Yours very truly,

H. Craighill, Esq.,
Footh River,
Man.
