Mr. E. D. Fulton,  
Fulton & Morley,  
Kamloops, B. C.

Dear Mr. Fulton:

I have your letter of 22nd which I have read with care. Have discussed this matter with a man prominent in military affairs. He is not able to make any suggestion that would help at the moment, merely saying that many hundreds of Canadian young men are in precisely the same position you are in. He adds, however, that if or when the Rocky Mountain Rangers, now an N. P. A. M. unit, is mobilized as a part of the C. A. S. F., you will have your chance. I would gather from his conversation that he is rather looking forward to this unit being mobilized.

Am sorry I cannot write you a more encouraging letter, and can only say that one cannot but admire the spirit which your letter discloses.

Yours very truly,

AM/E.

Arthur Meighen.
