

Can Govt. be formed out of groups  
that have defeated present administration.

(Manion's plan of national govt.  
implies defeating first one of parties  
he wishes to join him)

(a) capable of maintaining national  
unity

(b) making the maximum war effort.

Is it true Liberals for Party, not  
Country.

Not putting party ahead of country

1. Liberals re estimates last parliament  
vs. Manion - no support  
- cutting down estimates
2. When no election last July.
3. Announced Canada beside Britain
4. Policy presented to Parliament.
5. In war effort since.
6. In not extending term of Parl't.
7. In not having Union Govt.
8. When Lapointe etc. fought Duplessis.
9. Sought a general election instead of  
office -  
preserve constitution.
