

## *THE CANADIAN CEMENT AND CONCRETE ASSOCIATION*

was organized in Toronto, April 20, 1908, and held its first Annual Convention and Exhibition at Toronto, March 1st to 6th inclusive.

The objects of the Association are to conduct an educational campaign with regard to the varied and proper uses of cement and concrete.

The membership of the Association is provided in Section 1 of the Constitution as follows:—

"Any company or persons engaged in the manufacture of cement, or in the construction or maintenance of work in which cement is used, or qualified by business relations or practical experience to co-operate in the purposes of this Association, or engaged in the manufacture or sale of machinery or supplies for cement manufacturers or users, or any one who has attained eminence in the field of engineering, architecture or applied science, is eligible for membership."

If you are in any way interested in any branch of the Cement and Concrete Industry, you should identify yourself with the C. C. C. A. Fill out this application form, and return same, with your fee, to the Secretary-Treasurer, who will mail you the official receipt, and a complete copy of the Constitution.
