

As there are many places of the same name in Canada, in the United Kingdom, in the United States and other Countries, it will be necessary always to indicate upon the forms of application and in the advices the country and Province, or State, in which the office where the order is to be made payable is situated.

With the under-mentioned exceptions, no Money Order payable in the Dominion, the United Kingdom, the United States or any Foreign Country or British Possession, will be issued, unless the remitter furnish his own christian name, surname and address, and also the christian name and surname (*and in the case of orders payable abroad, the full address or residence*) of the payee. The exceptions to this rule are as follows:—If the particulars be furnished in writing, whether by filling up one of the printed requisition forms, or wholly in manuscript, it will not be necessary to give the christian name in full, it will be sufficient if the first letter be given, but if the name of the payee, or that of the remitter be tendered at greater length whether in the initials or full name, it must be received and advised accordingly. If the remitter or payee be a firm or corporate body the usual designation of such firm or corporate body is sufficient. When a married woman is either the remitter or the payee her own christian name should be given, and not that of her husband, thus—"Mrs. Mary Smith," not Mrs. John Smith.

When a remitter desires an order on the United Kingdom to be paid through a bank, it is left to his option to give or withhold the name of the payee, or to substitute for the name of the payee any other designation or modification, such as "the Cashier of the Bank of England," "the Chief Clerk of the Foreign Office." Such orders must, however, be crossed by the issuing postmaster with the name of the bank through which the order is to be paid.

The senders of money orders payable in Canada can procure re-payment thereof, on certain conditions, by applying to the Superintendent, Money Order Branch, Ottawa, through whom also application should be made for repayment in Canada of money orders payable abroad. Any order, however, may be repaid without the authority of the Superintendent, if presented for repayment on the day on which it is issued, and before the advice has been mailed.

Persons procuring money orders should examine them carefully to see that they are properly filled up and stamped, and contain neither alteration nor erasure. This caution will appear the more necessary when it is understood that any defect in these respects will throw difficulties in the way of payment.

The issues of money orders on credit, or for cheques not marked "good" by the bank drawn upon, is strictly prohibited, and by the Post Office Act of 1875 is made a misdemeanor, punishable with fine and imprisonment. Persons aiding, abetting, counselling or procuring the commission of any such offence are guilty of a misdemeanor, and punishable as principal offenders.

Payees who are not known to the post master or paying officer are required to prove their identity before the orders they present can be cashed.

If payee is unable to write, he must sign the receipt at the foot of the order by making his mark, to be witnessed in writing.

OCTOBER.—It is well to foresee and provide for a possible deficiency in the hay crop. Much valuable fodder may be raised from a comparatively small piece of suitable land, and we recommend Stowell's evergreen as the best sweet corn for fodder. Sow a bushel of seed to the acre with the drill on rich ground. Let the crop stand until there is danger from frost. During a spell of dry weather, cut and throw on the ground in small bunches. It should lie and wilt for two or three days, turning the bunches at least twice in the meantime. When thus partially dried tie the bunches into small bundles with good straw bands and set up carefully in stocks around rails or poles set up so as to allow of ventilation. The stocks must not be too large and must be well tied at the top with a good stout band. The fodder may stand until cold weather, and keeps best if allowed to stand until wanted for use.
