A Good Way to Make Good Money

A Good way to make Good Money for your class or yourself is by selling the Christian Calendar for 1921. It is a fine opportunity too for doing Christian work. There will be a ready sale for this beautiful Calendar, to be hung in Church, Sunday School or the Home, at a popular price, 25c a copy.

The cover reproduces a famous painting in color and the sepia pictures of the inside are works of art and are very rich. The Title, Reference, and Golden Text in full, appear under the date of each Sunday. Daily Home Bible Readings complete each page.
