

You Might as Well be Deaf and Dumb

These days, as to be without a telephone service.

A telephone in your house is just as much needed as a stove for cooking purposes.

Think what it means to have a telephone in your home—think of being able to speak with your friends at any time during the day or night—of being able to summon a doctor in case of sickness—or, in an emergency, being able, in a few seconds, to communicate with your neighbors, besides the many other uses to which it can be put.

A telephone service can be installed at a small cost anywhere—in a town, village or farming district and once the telephone is paid for, it belongs to you.

Write to-day for some of our literature about the convenience of telephones, the ease with which they can be installed, the cost of building them, and other important information.

Galt "Sure-grip" Shingles

Surprising how easily and rapidly a roof may be covered with Galt "Sure-grip" Shingles. Simple matter to lock the sides together, and just as easy to lock the top shingle to the one below.

The nails are "concealed"—can never pull out. Galt "Sure-grip" Shingles lie so closely to the roof that they really might be said to be cemented on. And they lock together in the tightest kind of a grip. These shingles form a solid armor of galvanized steel, affording not the slightest opening for wind to get under. They can't drop off or blow off; neither can they rust or burn off.

Just as cheap as ordinary shingles. Last a life time. The wisest kind of an investment to make.

We have been using WYANDOTTE DAIRYMAN'S CLEANSER AND CLEANSER for the past two seasons, and think very highly of it. I know nothing so good for cleansing Dairy and Factory utensils; it will bring the dirt out of anything.

We, like yourselves, are anxious to see more "Wyandotte" used, because it means cleaner conditions with the Dairymen. We shall make a special point of distributing samples amongst our suppliers.

Yours faithfully,

(Sgd.) B. BOX, Manager

This is typical of any number of commendatory letters received by our Australian Agents. Mr. Cheese and Butter Maker, are you indifferent to your patrons using Wyandotte Dairyman's Cleaner and Cleanser? Or can you cheerfully say "No buttermaker from Australia can ever be more wide awake than I." My patrons too, share this Wyandotte enthusiasm with me and fully appreciate the benefits which this unusual Cleaner brings them.
