Good Roads Improve Social Conditions

NO matter what your station in life or where you live, a certain amount of your time must be spent in pleasure to make life worth the living, and to obtain that pleasure you go to town or to your neighbors—especially is this true when living in the country.

Good Roads enable you to get into town or to your neighbors quicker, more often and without you or your horses or vehicles being covered with mud, and without regard to weather conditions or season. They enable your family physician to get to you quickly in times of illness. They enable your children to "foot it" to school every school-day. They keep your boys and girls on the farm by giving them better conditions generally.

Concrete Roads

are "every-day" roads—they have no "closed season" because they are open to traffic every day in the year. They are the most economical roads because they reduce the cost of maintenance to the minimum. They are easy of traction, clean, had and free of ruts and holes. They keep your road money out of the mud.

Let us send you, without cost, complete information about concrete roads.

Manor Farm Compulsory Sale

BEDFORD PARK, (NORTH) TORONTO

Tuesday, May 26th, 1914 Sale at 11 a.m.

YES, you'll want to meet your other breeders there—just a little 24th May outing—the best you'll spend for a long time. There's no place like it, and it's just the time to take a few days off after the heavy spring work and before you launch into your haying. Then, too, it's going to be one of the best sales of the whole season. You'll see cattle led into the ring whose equal was never before seen at auction in Canada.

You've heard a lot about **PRINCE BENGHELVOLD OF THE PON-TIACS**. Isn't it worth a trip to Toronto to bid on some of his sons? Or on some of the cows in and off to King Segis Pontiac Posse? Just do it. Come to this sale and go home with the most enjoyable summer outing of your life.

If your wife doesn't wish to let you go, just bring her along too. Every one will be made welcome and comfortable. It may help to get her interested, and if it does, you will enjoy your dairy and your trip all the more.

We've got animals at this sale to suit every purchaser—the young man just starting in the business; and you other fellows old in Holstein experience—young bulls almost fit for service—others growing; heifers, male calves from the Prince will start you right—all good ones, straight, sound animals—individuals that ought to please any breeder, and then also with records behind them that prove their working power. Don't think you had better make up your mind to come to this sale.

You'll never regret the outing—and besides you will get a real old-fashioned 26th May lunch—Can you beat that?

Don't let anything interfere with the date—**Tuesday, May 26th**. Our Catalogues are now ready. Better send for one
